ABOUT THE LEAGUE

We are a non-partisan political volunteer organization.

We:

- Encourage informed and active participation in government
- Increase citizen understanding of major policy issues
- Influence public policy through education and advocacy
- Protect and engage voters

What we support:

- Voter registration
- Voter education
- Transparency in election financing
- Accountability of government functions
- Women's rights
- Legislation to reduce gun violence
- Education reform
- Energy efficiency and environmental protection
